Lend a Helping Hand

Do you know someone that is going through a rough patch in life? Are you setting out donation buckets at local businesses? We have just the solution for you! Our 'Lend a Helping Hand' account is essentially a donation bucket for you to use. After a 30 day period we will mail a check for all monies deposited in the account. Additionally, we will submit a media advisory to the local newspapers informing the public of the depositing account, who it benefits, and what the funds will be used for.
